

DYLAN LOW

RODOLFO DORDONI DESIGN

The timeless, multifaceted stylistic language of the distinguished yet cosy Dylan modular seating system is also expressed in the Dylan Low version. With a more classic and traditional identity, raised 7,5 cm off the ground, this version effortlessly interprets a timeless taste. It is capable of expressing multiple aesthetic and compositional languages, fitting with ease into environments with different uses.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
