

DYLAN SMALL

RODOLFO DORDONI DESIGN

The rigorous and welcoming modular seating system Dylan is also available in a version with a more compact seat depth. Introducing Dylan Small, a system that combines the sophisticated aesthetics of its cushions with the lightness of a contemporary base raised 13,5 cm from the floor. The upholstered volumes are reduced in depth, making Dylan Small a perfect fit even in smaller domestic environments or in Hospitality spaces.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
