

HORIZONTE

MARCIO KOGAN / STUDIO MK27 DESIGN

A floating island with square lines that marks the horizon of the living space.

The system by Marcio Kogan / studio mk27 takes shape from a suspended base, a solid thin line covered in leather, fabric or both, on which generous volumetric padded elements rest.

The seemingly simple appearance of Horizonte gives rise to a sophisticated style code that can be used in a wide range of configurations. By combining modules, sloping elements and others with built-in coffee table, an overall narrative that could continue forever without interruption is created.

The arrangement depicted is just one example of the many different compositions possible with our seating systems.

We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
