

# WEST

DESIGN RODOLFO DORDONI

A faceting effect livens up and interrupts the cubism that sets the morphology of the West system apart from the clichés of modern design.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.

# WEST — Arrangement 02
