GAMFRATESI DESIGN

The characteristic light and sophisticated style trait of Italian-Danish duo GamFratesi inspires Raphael: a new way of designing the living space thanks to the use of single furnishing pieces with refined tailoring, capable of becoming protagonists of the space, and expressing the same comfort as traditional modular seating systems.

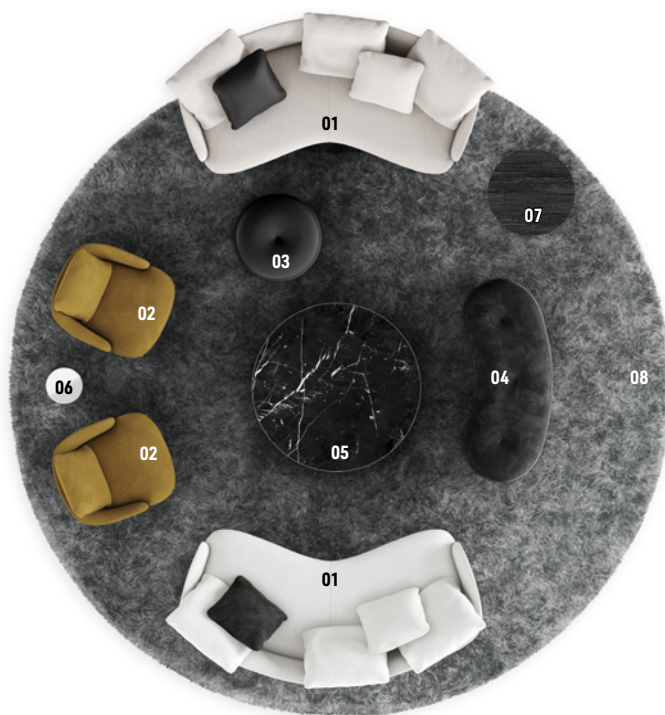

The details, shapes and overall aesthetics of Raphael make it a contemporary furnishing piece with a timeless character, designed to meet the different situations of everyday life: from moments dedicated to relaxation to those conceived for conviviality, from hospitality occasions to the more intimate ones of domestic life.

The arrangement depicted is just one example of the many different compositions possible with our seating systems.

We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
