THE JACOB COFFEE TABLE AND INDIANA COLLECTION HONORED AT THE 2017 WALLPAPER* DESIGN AWARDS.

Added to the awards reaped in the past for the "2012 Collection" and the Benson coffee table, this year Minotti received two coveted accolades, as part of the Wallpaper* Design Awards, bestowed each year by the distinguished magazine and selected by a jury made up of luminaries from the world of design and art.

Designed by Rodolfo Dordoni, the Jacob coffee table was an award-winner in the "Best landing pads" category, while the Indiana series, also designed by Rodolfo Dordoni, was recognized in the "Best garden party" category.
