JUNE 2017

ST. PETERSBURG, OPENING OF THE MINOTTI SPACE @ GALERIE 46

Many guests turned out for the event hosted Tuesday, June 6th by Galerie 46 in honor of the opening of the new Minotti space in the impressive showroom located on Bolshaya Morskaya in the very heart of St. Petersburg.

The exhibit space is located inside an extremely charming historic building whose architectural features, like the period fireplace and exposed brick walls, exude the kind of atmosphere suited to creating warm, breathtaking interiors.

On display in the showroom is a selection of the company's most compelling products, including the Freeman seating system, combined with Creed armchairs and the Jacob and Duchamp coffee tables. Another living space showcases the Yang seating system, displayed with Leslie armchairs and a Catlin coffee table. The Creed Bed was chosen to furnish the sleep zone.

Alessandro Minotti and Paolo Nardini, General Sales Manager, participated in the event, lingering at length in congenial conversation with the guests.
