

JULY 2017

"2017 COLLECTION" CONSUMER CATALOG

The new consumer catalog, dedicated to the 2017 Collection, coordinated by Rodolfo Dordoni - as were the previous collections - and launched at the Salone del Mobile in Milan, where it was a unanimous success, is now available through the network of authorized Minotti dealers.

The catalog offers an extensive photo gallery of captivating settings that express an elegance beyond the bounds of time and trends and yet filled with elements of surprise. A sophisticated aesthetic language finds its voice in the choice of luxurious materials and eye-catching combinations.

The wide-ranging and eclectic style is also evident in the new Lawrence and Pollock seating systems, the Jacques collection and many accessories. Each one with its own, unmistakable personality, but capable of weaving a thought-provoking conversation in an intricate interplay of shapes, materials and influences.

The new outdoor collection, to which the final section of the catalog is dedicated, is also informed by the same style-forward esprit and proves that indoor and outdoor settings can seamlessly and harmoniously coexist.
