## CRITICAL ACCLAIM FOR "QUADRADO" BY MARCIO KOGAN / STUDIO MK27

The modular **Quadrado** system, designed by Brazilian architect **Marcio Kogan / studio mk27** and star player in the 2018 Outdoor Collection, was included among the international stellar designs, winning, just months after its debut, a series of outstanding awards and mentions, including the **German Design Award Special 2019**, **Interior Design's Best of Year Awards 2018**, the **2018 EDIDA China** and the **2018 Architectural Record**.

### GERMAN DESIGN AWARD Special 2019

The **German Design Award**, one of the most prestigious international contests in the contemporary furnishings sector, awarded Quadrado Special Mention for "Excellent Product Design" in the "Furniture" category. Presentation of the awards, in the various categories, will take place in Frankfurt on February 8, 2019.

### Interior Design's Best of Year Awards 2018

Quadrado was named winner in the "Outdoor seating" category in **Interior Design's** 13th annual **Best of Year Awards**, sponsored by the prestigious Interior Design magazine. The winners were announced in New York City at the River Pavilion, Javits Center on November 30th.

### 2018 EDIDA CHINA (Elle Decoration International Design Awards)

At the exclusive "Night of Design 2018" party held November 23rd, during which the **2018 EDIDA CHINA** award ceremony, promoted by Elle Decoration China was held, Quadrado was named winner of the "Outdoor" category.

### 2018 ARCHITECTURAL RECORD

The readers and editors of the historic US publication **Architectural Record** proclaimed the Quadrado modular system one of this year's most distinctive designs, including it in the prestigious "Best Furnishings 2018" category.

These accolades are an impressive statement by the design community and pay homage to the creativity and quality of Minotti, as well as to the recent partnership with Marcio Kogan and studio mk27.
