

MARCH 2022

2021 COLLECTION CONSUMER CATALOGUE

The new consumer catalogue will soon be available at all Minotti flagship stores and authorised retailers.

The volume contains all the indoor and outdoor furniture of the **2021 Collection**, coordinated by **Rodolfo Dordoni** and created by a team of international designers, from **Marcio Kogan / studio mk27** to **GamFratesi** and **Nendo**, as well as **Rodolfo Dordoni** himself.

The story it tells, which takes shape through an extensive photo gallery, perfectly expresses the mood of the Collection and the personality of its main protagonists, immersed in an atmosphere featuring a new, contemporary take on Mid-Century style, somewhere between Rationalism and Brutalism.

A proposal designed to furnish indoor and outdoor spaces, in the residential and hospitality contexts, and in work spaces, it is proof of the evolution of the brand and its strong skill in interpreting the new requirements of contemporary living, always in pursuit of quality and beauty.
