## NEWS FROM MINOTTI HONG KONG

The **Minotti Hong Kong** flagship store, opened in collaboration with the renowned dealer **Andante**, hosts some of the latest Minotti collection proposals in a sophisticated space, characterised by walls painted in an elegant shade of grey, wood panelling and ceilings in Liquorice-stained larch and "Warm Grey" resin flooring.

Inside the store, the setting is divided into four main spaces, each of which features a seating system: from the most recent **Brasilia** by **Marcio Kogan** / **studio mk27** and the modular seating system **Roger**, to the best-sellers **Blazer** and **Connery**, all by **Rodolfo Dordoni**.

A renewed interior proposal created by **Minotti Studio**, the creative soul of the company, capable of interpreting the brand's international taste in harmony with the sophisticated lifestyle of Hong Kong's design enthusiasts and professionals.
