MINOTTI SHANGHAI, GRAND OPENING PARTY

The inauguration event for the opening of the new Minotti Shanghai by Domus Tiandi monobrand store will be held Wednesday, November 11th. With this launch, Minotti strategically enhances its presence in the Chinese market by opening a new flagship store in Shanghai, the fourth in China after those in Beijing, Qingdao and Hong Kong.

The Minotti Shanghai showroom was created in partnership with Domus Tiandi, a prominent name in the Asian design community and a Minotti partner in the Minotti Beijing flagship store.

The exclusive address is located in the lively but chic Huangpu district, known as the "French Quarter", just a few steps from the Opera House. A major renovation of the building was required to accommodate the lavish space of more than 1300 sq. m, an exhibit area that makes Minotti Shanghai the largest Minotti flagship store in the world.
