

SEYMOUR

DESIGN RODOLFO DORDONI

Seymour grew out of the intention to create a seating system that maintains a distinctly formal aesthetic while surrendering to the desire for curved lines in an elegant succession of soft, inviting shapes

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
