

JACQUES

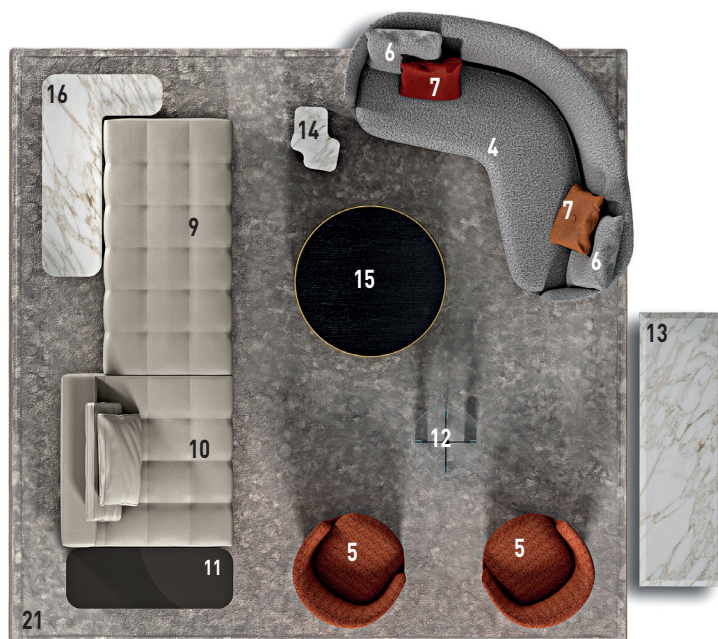

DESIGN RODOLFO DORDONI

The Jacques collection includes sofas, armchairs and ottomans available in several sizes, originated from a common design seed that transforms a vaguely retro style into a symbol of absolutely contemporary style.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
