

LEONARD

DESIGN RODOLFO DORDONI

A seating system achieved through the clustering of padded geometric shapes, soft as cushions, outlined with piping that accents their contours and set on an elegant aluminum base.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.

LEONARD — arrangement 04
