

ALLEN

DESIGN RODOLFO DORDONI

The Allen sofa is a perfect example of what Minotti means by "sofa": an object defined by its smooth lines and proportions, its added height from the floor, and the functionality of its dimensions, without sacrificing soft lines and rounded shapes, especially where the arms are concerned.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
