

QUADRADO

DESIGN MARCIO KOGAN / STUDIO MK27

Quadrado is a modular system, characterized by square wooden platforms which can be combined with seat cushions. The back and armrests are made of braided fiber.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.

QUADRADO — Arrangement 02
