

LAWSON

DESIGN RODOLFO DORDONI

With the fluid line of its shapes and the equilibrium of its soft volumes, the Lawson seating system explores different types of chairs, offering innovative solutions that push out the traditional style boundaries, ranging from small lounge armchairs to the larger easy chair, and even sofas.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
