

ROGER

RODOLFO DORDONI DESIGN

As a site-specific installation, tailor-made on each occasion to suit its hosting venue based on the specific requests of its commissioning agent, the Roger seating system is the result of an open design, created to be composed with imagination and personalised with style. Exceptionally versatile, it is designed to meet the full range of requirements in terms of layout and use. Its eclectic character makes it capable of intercepting a variety of taste categories and it boasts an extensive range offering endless design solutions.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
