RODOLFO DORDONI DESIGN

Designed by Rodolfo Dordoni, Twiggy is the new family of seats that stands out for its ability to revolutionise living spaces with an unprecedented ideal of timeless beauty.

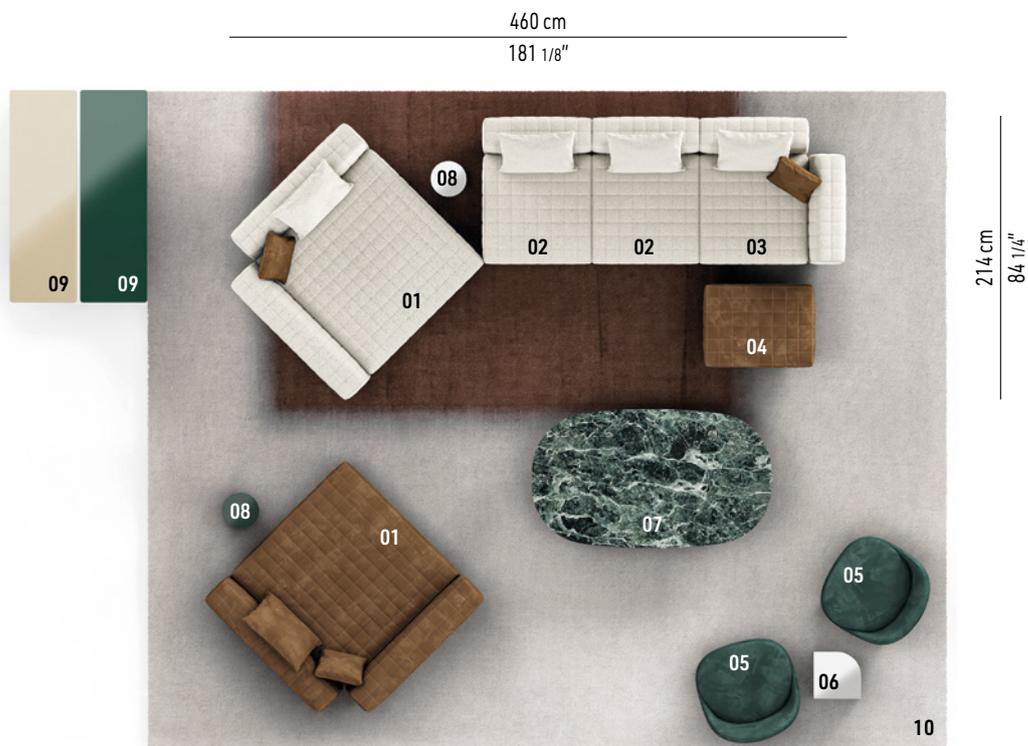

Initially designed as a single armchair, Twiggy developed into an extensive seating system, versatile and flexible, perfectly suited to both domestic settings and hospitality spaces. Twiggy features clean geometric forms and sculptural volumes upholstered in leather, nubuck or fabric embellished with sophisticated stitching. Twiggy embodies the brand's manufacturing expertise combined with its great skill in making even the most sculptural seating extremely comfortable.

The arrangement depicted is just one example of the many different compositions possible with our seating systems.

We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
