

DAYLIGHT

GAMFRATESI DESIGN

An intimate and cosy alcove for indulging in the open-air life inspires the shapes of the outdoor seating system Daylight. In a clever interplay of lines, the curved frame of backrests and armrests is reminiscent of a vibrant, enveloping fan. A design that immediately conveys a sensation of relaxation, offering the same comfort and appeal of the indoor furnishing proposals.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
