

COUPÉ

GIAMPIERO TAGLIAFERRI DESIGN

A distinctive silhouette, characterised by overlapping rounded volumes with a clear 60s and 70s influence, brings the Coupé seating system by Giampiero Tagliaferri to life.

The designer describes the project as "a seating experience that is both nostalgic and forward-thinking: we have reinterpreted classic forms through a contemporary lens, finding a balance between vintage charm and modern functionality."

The arrangement depicted is just one example of the many different compositions possible with our seating systems.

We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
