

SAKI

NENDO DESIGN

In Japan, the term "Saki" means blooming, and it is precisely to the unfolding of flower buds that Nendo pays tribute with a family of seats, characterised by the presence of sinuous support panels for the backrest and armrests. These panels can be lacquered in various shades or upholstered in fabric or leather, allowing for endless combinations, giving each furnishing piece a refined and eclectic aesthetic.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
