

ORION

GIAMPIERO TAGLIAFERRI DESIGN

A seating system that exudes sophisticated sensuality: overlapping volumes, punctuated by unexpected geometric cuts, designed to occupy space with freedom and purpose.

A subtle reference to abstract patterns reminiscent of constellations, where independent elements are arranged according to an order defined by orthogonal and oblique axes. The configurations shift, break apart, and reassemble through a versatile array of linear and polygonal modules - rectangular, square, and trapezoidal - creating ever-evolving domestic landscapes.

The arrangement depicted is just one example of the many different compositions possible with our seating systems.

We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
