

ORION OUTDOOR

GIAMPIERO TAGLIAFERRI DESIGN

Conceived to experience open-air spaces with compositional freedom, this outdoor seating system is composed of layered volumes and gently inclined linear surfaces that create an elegant, contemporary presence within the landscape. It evokes the configurations of constellations, where distinct elements are arranged in patterns defined by orthogonal and oblique axes.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
