

RUFFLE

GAMFRATESI DESIGN

Ruffle originates as a welcoming seating system with generous proportions, where gentle volumes and formal precision coexist in perfect balance. The wide, one-piece seat offers exceptional, effortless comfort, while the slightly sloping trapezoidal backrest introduces a subtle dynamism that supports the body with graceful ease.

Ruffle expresses a free and informal feel: a modular system designed to interpret contemporary lifestyle with originality and authenticity. Its relaxed softness translates into an unforced sense of ease, inviting relaxation and conviviality.

The arrangement depicted is just one example of the many different compositions possible with our seating systems.

We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
