

ASTON

DESIGN RODOLFO DORDONI

DIVANO / DORMEUSE / POLTRONE

Struttura: divano, poltrona e dormeuse in metallo con cinghie elastiche ad alta componente di caucciù. Schienale annegato in schiuma poliuretanica ignifuga e ulteriore inserto a quote differenziate in materiale termosensibile (Memory Foam).

Sedile in poliuretano espanso a quote differenziate accoppiato a un trapuntino in piuma d'oca canalizzata che conferisce morbidezza e sofficità permettendo una seduta accogliente.

Cuscinatura: imbottitura cuscini completamente in piuma d'oca canalizzata.

Sfoderabilità: rivestimento in tessuto completamente sfoderabile, in pelle fissa.

Gambe: stampate in alluminio pressofuso verniciato lucido anti-touch color Peltro. Scivolante protettivo in Hytrel® (gomma morbida antiraffio).

ASTON LOUNGE / DINING / STOOL

Struttura: in metallo con cinghie elastiche ad alta componente di caucciù annegata in schiuma poliuretanica ignifuga e ulteriore rivestimento dello schienale in materiale termosensibile (Memory Foam). Successiva foderatura in fibra autoleggere accoppiata a tela di cotone bianco.

Sfoderabilità: rivestimento in tessuto completamente sfoderabile, in pelle fissa.

Gambe: realizzate in legno massello di frassino laccato a poro aperto color Moka oppure tinto a poro aperto color Tabacco. Scivolanti protettivi in feltro.

Lo sgabello ha un poggiapiedi in acciaio inox satinato, con trattamento PVD ad alta resistenza, color titanio.

Scivolanti protettivo in Hytrel® (gomma morbida antiraffio).

SOFA / DAYBED / ARMCHAIRS

Structure: sofa, armchair and daybed in metal with high natural rubber content elastic straps webbing. Backrest is encased in fire-resistant polyurethane foam and additional heat-sensitive variable-density memory foam insert. Seat in variable-density polyurethane foam coupled with a lightweight channelled down quilting to lend inviting softness and fluffiness to the experience.

Cushions: entirely in channelled goose down.

Covers: fabric covers are completely removable, fixed leather covers.

Legs: molded die-cast aluminium legs varnished polished anti-fingerprint Pewter colour. Protective Hytrel® glide (soft scratchproof rubber).

ASTON LOUNGE / DINING / STOOL

Structure: metal with high natural rubber content elastic straps webbing embedded in fire-resistant polyurethane foam and additional heat-sensitive variable-density memory foam insert in the backrest.

Additional self-bonding fiber lining bonded to white cotton canvas.

Covers: fabric covers are completely removable, fixed leather covers.

Legs: solid ash, open pore Moka colour lacquer or open pore Tobacco colour stain. Protective felt glides. The stool has a footrest in satin-finished stainless steel, highly resilient PVD treated, titanium coloured. Protective Hytrel® glide (soft scratchproof rubber).

SOFA / SESSEL / SESSELIEGE

Struktur: Sofa, Sessel und Sesseliege aus Metall, gefedert mit elastischen Riemen mit hohem Kautschukanteil. Rückenteil eingebettet in feuerfesten Polyurethanschaum mit einer zusätzlichen Einlage aus unterschiedlich dick geschäumtem, wärmesensitivem Material (Memory Foam).

Sitz aus unterschiedlich dick geschäumtem Polyurethan, darüber ein mit kanalisierten Gänsedaunen gefüllter Steppstoff, der dem Sitz noch mehr lockere Weichheit verschafft und ihn noch einladender macht.

Kissen: Polsterung vollständig aus kanalisierten Gänsedaunen.

Abziehbarkeit: Stoffbezug vollkommen abziehbar, der Lederbezug ist fest montiert.

Beine: gepresstem Aluminiumpressguss, zinnfarbig glänzslackiert mit Anti-Touch-Finish. Gleitschutz aus Hytrel® (kratzfester, weicher Gummi).

ASTON LOUNGE / DINING / STOOL

Struktur: Aus Metall, gefedert mit elastischen Riemen mit hohem Kautschukanteil, eingebettet in feuerfesten Polyurethanschaum mit einem zusätzlichen Überzug aus wärmesensitivem Material (Memory Foam). Ein weiterer Überzug besteht aus selbstbindender Faser kombiniert mit weißem Baumwolltuch.

Abziehbarkeit: Stoffbezug vollkommen abziehbar, der Lederbezug ist fest montiert.

Beine: Aus massiver Esche, mokkafarbig offenporig lackiert oder tabakfarbig offenporig getönt. Gleitschutz aus Filz. Der Hocker hat ein Fußstütze aus satiniertem Edenstahl mit PVD Behandlung mit höher Widerstandsfähigkeit, Farbe Titan.

Gleitschutz aus Hytrel® (kratzfester, weicher Gummi).

CANAPÉ / FAUTEUIL / DORMEUSE

Structure : canapé, fauteuil et dormeuse en métal avec sangles élastiques à haute teneur en caoutchouc.

Dossier noyé dans une mousse polyuréthane ignifuge et insert supplémentaire à hauteurs différentes en mousse thermosensible à mémoire de forme (Memory Foam).

Assise en polyuréthane expansé à hauteurs différentes doublée d'une petite couette en plume d'oie canalisée qui donne de la souplesse et du moelleux permettant une assise accueillante.

Coussins : rembourrage coussins entièrement en plume d'oie canalisée.

Déhoussage : revêtement en tissu entièrement déhoussable, revêtement en cuir fixe.

Pieds : estampés en aluminium moulé sous pression et peints couleur Étain, finition brillante anti-traces. Patins glisseurs en Hytrel® (gomme souple anti-rayure).

ASTON LOUNGE / DINING / STOOL

Structure : en métal avec sangles élastiques à haute teneur en caoutchouc, noyée dans une mousse polyuréthane ignifuge, et revêtement supplémentaire du dossier en mousse thermosensible à mémoire de forme (Memory Foam).

Seconde doublure en fibre auto-liante doublée de toile en coton blanc.

Déhoussable : revêtement en tissu entièrement déhoussable, revêtement en cuir fixe.

Pieds : réalisés en frêne massif, laqués à pores ouverts couleur Moka ou teints à pores ouverts couleur Tabac.

Patins en feutre. Le tabouret a un appui-pieds en acier inox satiné avec traitement PVD de haute résilience, couleur titane.

Patins glisseurs en Hytrel® (gomme souple anti-rayure).

POLTRONCINA "DINING" CM 64X58 H81 - INFORMAZIONI SULLA DESTINAZIONE D'USO
