

Finiture piano:

- MDF, spessore 25 mm, sagomato, laccato lucido nei colori Fango, Granito, Peltro e Petrolio;
- impiallacciato rovere, spessore 25 mm, sagomato, laccato a poro aperto color Moka;
- vetro grigio fumé, spessore 10 mm, temperato, bisellato, fissato alla base con supporti metallici.
Disponibile solo per le misure Ø 97 cm, 100x100xh41 cm e 140x70xh41 cm.

Struttura: metallo trafilato tagliato al laser spessore 10 mm, verniciato opaco color Peltro, e spessore 6 mm per gli elementi con misura Ø 50 cm e 60x44 cm. Piedini cilindrici sagomati e raccordati. Scivolanti in nylon neri.

Top finishes:

- MDF, 25 mm thick, beveled, Mud, Granite, Pewter or Petroleum glossy lacquered;
- oak veneer, 25 mm thick, beveled, open-pore Moka colour lacquered;
- smoked grey glass, 10 mm thick, chamfered and tempered, fixed to the base by means of special metal supports. Only available for Ø 97 cm, 100x100xh41 cm and 140x70xh41 cm.

Structure: laser-cut, drawn metal, 10 mm thick, except for the coffee tables Ø 50 cm and 60x44 cm which are 6 mm thick, matt Pewter-coloured varnished. Beveled, joined cylindrical feet. Black nylon glides.

Ausführungen der Tischplatte:

- MDF, 25 mm Stärke, geformt und hochglänzend lackiert in den Farben Schlamm, Granit, Zinn und Petroleum;
- Eiche-Furnier, 25 mm Stärke, geformt, offenporig mokkafarbig lackiert;
- Rauchgraues gehärtetes Glas, 10 mm Stärke, abgeschrägt. Befestigung der Ablage am Metallgestell durch spezielle Halterungen.

Nur in folgenden Abmessungen erhältlich Ø 97 cm, 100x100xh41 cm und 140x70xh41 cm.

Gestell: aus lasergeschnittenem, gezogenem Metall, Stärke 10 mm und 6 mm nur bei Elementen mit der Abmessung Ø 50 cm und 60x44 cm, mit mattzinnfarbig Lackierung. Zylinderförmige, verbundene Füße. Schwarzer Nylonrutschschutz.

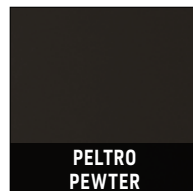

Finitions plateau:

- MDF, épaisseur 25 mm, façonné et laqué brillant dans les couleurs Boue, Granit, Étain et pétrole;
- plaqué chêne, épaisseur 25 mm, façonné, laqué à pores ouvertes couleur Moka;
- verre gris fumé, épaisseur 10 mm, biseauté, trempé. Le plateau est fixé à la base à l'aide de supports spéciaux en métal. Disponible seulement pour les dimensions : Ø 97 cm, 100x100xh41 cm et 140x70xh41 cm.

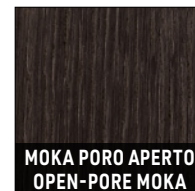

Structure: en métal étiré découpé au laser, épaisseur 10 mm et 6 mm seulement pour les éléments Ø 50 cm et 60x44 cm, laqué mat couleur Étain. Pieds cylindriques profilés et raccordés. Patins en nylon noirs.
