"2015 COLLECTION" CONSUMER CATALOGUE

The new consumer catalog, entirely dedicated to the 2015 Collection, coordinated by Rodolfo Dordoni and debuted at the Salone del Mobile furniture show in Milan, where it received rave reviews, is now available from authorized Minotti dealers.

The Yang, Seymour and Lounge Seymour seating systems are portrayed in an array of different configurations and photographed both in elegant settings befitting of residential projects, and also in hospitality venues, complemented by the Close, Elliott and Catlin tables and countless accessories from the new collection.
