

MAY 2015

MINOTTI HOSPITALITY, 2015 COLLECTION CATALOGUE

With the new collection, the Minotti Hospitality 2015 Collection catalog introduces the company's exclusive concept that offers a series of products - the new Seymour and Seymour Lounge seating systems - custom designed and engineered to furnish both hospitality and residential spaces with style and elegance.

The new design concepts are featured in this catalog that depicts the company's products in a variety of settings - from lobbies to lounges, bars and restaurants to luxury apartments - all furnished to portray the amazing versatility of the collection in both hospitality and residential settings.

A pdf version of the catalog is available in the "Download Area" of the website, which can be accessed by logging into your personal account.
