MARCH 2015

GENERAL CATALOGUE: THE COMPLETE INTERIOR COLLECTION

Much more than a catalogue – an authentic source of inspiration for your projects. The new edition of the Minotti general catalogue contains all the products in our wide collection, divided into six easy-to-consult volumes:

Book 01: seating systems, cushions

Book 02: armchairs, accessories

Book 03: coffee tables, console tables, rugs

Book 04: chairs, tables, bookcases, storage units

Book 05: beds, bedwear, night storage units

Book 06: outdoor collection

In addition to being an essential work tool, the new catalogue is intended as an endless source of inspiration, thanks to the photo galleries for each product, including a series of previously unreleased images, shot in settings that were part of design projects carried out in various locations around the world.
