NEWS CATALOGUE "2014. THE NEW COLLECTION"

A 400-page book for the 2014 collection by Rodolfo Dordoni and presented at Milan's Salone del Mobile, where it received a very enthusiastic welcome.

Alluring settings with refined construction materials underline the sophisticated and cosmopolitan mood of the new collection. The construction details of each and every product are illustrated in a number of pictures that show how the new collection shuns serial production and gives proof of its strong link with tradition. The extensive photo gallery showing the many versions of the various products, is followed by a detailed section with information the technical features as well as original interior design ideas.

The 2014 News Catalog, presented at Salone del Mobile where the new collection was launched, is now available at authorized retailers.
