DESIGN PERSPECTIVES MDFF CAPSULE @ MINOTTI HONG KONG

As an official partner, the **Minotti Hong Kong by Andante** flagship store welcomed the **Milano Design Film Festival Capsule**, an event sponsored by MiCue Milano Design.

The elegant exhibit space, located in the heart of the city at the Ruttonjee Center in Duddell Street, hosted the screening of nine films inspired by the worlds of design, fashion, architecture, sustainability and technology. Honored by the presence of Italy's Consul General in Hong Kong, Clemente Contestabile, the inaugural party opened with the documentary film **"Minotti Undiscovered. A Matter of Style"**. Thanks to this key initiative, the guests were able to experience the quality and comfort of the pieces from the 2018 Collection.
