

Minotti

DECEMBER 2020

THE 2020 COLLECTION GOES TO CAPE TOWN

The new **2020 Collection** makes its debut in Cape Town, where a rich selection of the new indoor and outdoor products goes on show at the **Minotti Cape Town by Limeline** flagship store.

Located in the famous V&A Waterfront district, the showroom features large floor-to-ceiling windows that run along the perimeter of the space, fostering the harmonious dialogue between indoor and outdoor, and the flow of the natural light.

Wood panelling in a warm shade, a tribute to the woods of Africa, matched with ceilings and walls painted in the characteristic Minotti grey and lacquered surfaces in the colour granite alternate with smoky grey glass walls, creating the perfect setting for the new designs.

Three living areas with a strong personality spotlight the **Blazer** and **Connery** modular seating systems, designed by Rodolfo Dordoni, both in a unique "L"-shaped configuration, and the **Torii** chaise-longue sofa by Nendo, enhanced by a top in Calacatta marble at the end of the seat. The warm, elegant atmosphere is completed by the **Torii Nest** seat by Nendo and the **Fynn Saddle-Hide** seat by GamFratesi, as well as the **Daiki** armchair and the **Boteco** and **Linha** coffee tables, all designed by Marcio Kogan / studio mk27. A last setting proposes the **Fynn Saddle-Hide** dining chairs elegantly arranged around the **Linha** dining table, with top in palisander Santos measuring no less than three metres in length, supported by thin aluminium blade-like legs.

Instead, the area at the back, which has a cosier, more intimate feel, hosts some of the bestsellers and distinctive indoor pieces of the last collections, notably including the **Freeman** seating system and the **Reeves** bed, both by Rodolfo Dordoni.

Finally, a small natural oasis within the display space provides the ideal backdrop for presenting the most representative outdoor designs of the new collection, including the **Sunray** seating system by Rodolfo Dordoni and the **Fynn Outdoor** armchair designed by GamFratesi, set alongside the **Quadrado** modular seating system by Marcio Kogan.

A carefully-curated, elegant display, conceived in complete harmony with the architectural surroundings, successfully conveying the distinctive mood of the 2020 Collection, as well as the authentic essence of Minotti.
