

MARCH 2021

THE 2020 COLLECTION GOES TO AHMEDABAD

The **2020 Collection** makes its debut in Ahmedabad, where a curated selection of its most representative indoor pieces goes on display at the newly-renovated **Minotti Ahmedabad** flagship store.

Inaugurated in 2012 thanks to the long-standing partnership with the renowned high-end furniture retailer **Design Italiano**, the Minotti Ahmedabad showroom is a sought-after destination for the Indian design community, in a key market for the company that has consistently admired Minotti's timeless style and high quality.

Grey concrete floors, ceilings in white plaster and wood panelling in a warm shade bring to life an elegant space, livened up by a series of living, dining, night and outdoor areas of great charm, featuring a mix of best-sellers, distinctive pieces from recent collections and indoor highlights of the 2020 Collection, including the **Connery** seating system by Rodolfo Dordoni and the **Daiki** armchairs and **Boteco** coffee table by Marcio Kogan / studio mk27.

A sophisticated display that reflects the quality and the elegance of the Minotti collections and accurately conveys the values of the brand.
