

SEPTEMBER 2022

THE SUPERSET AND THE COMPANY SHOWROOM NARRATE THE 2022 COLLECTION

The **Superset**, together with **Company Showroom**, has been renewed and hosts the latest Minotti furnishing pieces and bestsellers, reflecting the architecture, the aesthetic taste of the brand and the stylistic theme of the **2022 Collection**.

The textured concrete walls with perforated prisms, that characterize the SuperSet, mark out the perimeter of the settings that house the new Collection: the protagonists are the new Indoor and Outdoor pieces, contextualised within sophisticated living, dining and bedroom areas.

A perfect setting for the new Minotti furnishings.
