

OCTOBER 2022

MINOTTI BOSTON, BEST SHOWROOM

Minotti Boston by **DDC Group** has been named Boston's **Best Showroom** by the **IFDA** (International Furnishings and Design Association).

The award was presented at the Park Plaza Hotel, in the presence of **Nader** and **Siamak Hakakian**, the owners of **DDC Group** and **John Trifone**, Showroom Director.

Occupying a surface area of over 500 sqm spanning two staggered floors, the space was created by **Minotti Studio** in cooperation with **DDC Group**, the company's partner for the flagship stores in New York and Miami, strengthening the historical collaboration with the American dealer.

The interior design presents a lively alternation of volumes, shades and sophisticated textural choices, in perfect harmony with the taste and the lifestyle of the American city, creating a real sense of home.
