MINOTTI SUPPORTS CONVIVIO 2026

Minotti reaffirms its commitment to socially meaningful initiatives by taking part in **CONVIVIO 2026**, the charity shopping event that takes place from **5 to 8 November** at Fabbrica del Vapore in Milan and raises funds for ANLAIDS Lombardia ETS and its activities in HIV research, prevention and awareness.

Now in its 17th edition, CONVIVIO opens a new chapter dedicated to the world of Home & Lifestyle, bringing together leading names in design, art, fashion and creativity. Under the theme "Giocare in Casa" (Playing at Home), the initiative celebrates the home as a place of connection, sharing and hospitality, where design becomes an expression of collective responsibility.

For the occasion, Minotti is donating three representative pieces from its collection: the **Suitcase Line** armchair by Rodolfo Dordoni, the **Klasen** stool by Gordon Guillaumier and the **Shelley** lounge armchair by GamFratesi.

Available for purchase at special prices during the event, these pieces offer visitors the opportunity to combine their passion for design with a tangible gesture of solidarity in support of ANLAIDS Lombardia ETS.
