"MINOTTI CONCEPT STORE BY CODE SHOWROOM" OPENS IN BUDAPEST

The "Minotti Concept Store by Code Showroom" showroom recently opened in the heart of Budapest's old town center and spans more than 250 sq.m., all dedicated to showcasing signature pieces from the company's collection.

Elegant linen curtains in a sophisticated nuance of gray frame the floor-to-ceiling windows and create a warm, refined atmosphere for the various environments. The area next to the entrance houses a spacious Yang seating arrangement with Catlin and Kirk 'Cross' coffee tables. A Seymour sofa has been teamed with Leslie armchairs and Raymond, Joy "Jut Out" and Still coffee tables, whereas Leslie chairs have been paired with a Catlin dining table.

The 2016 Collection coordinated by Rodolfo Dordoni which made its debut at Milan's Salone del Mobile is already on display with an elegant Freeman seating arrangement, Reeves armchair, and Ritter and Calder coffee tables.

"Minotti Concept Store by Code Showroom" is to all effects a showroom that conveys the brand aesthetics fully and completely, presenting the company's collection in an elegant and refined architectural setting, where everything contributes to creating an authentic brand experience.
