JULY 2016

## MINOTTI WIEN 10TH ANNIVERSARY PARTY

Architects, interior designers, media representatives and fans of the brand came out in droves to join the party hosted by Minotti Vienna in celebration of the 10th anniversary of the opening of the Parking 20 showroom. The exhibit area was entirely refurbished to include the new items from the 2016 Collection, coordinated by Rodolfo Dordoni and launched at the Salone del Mobile in Milan.

Among the most characteristic products is Freeman, a dramatically innovative seating system that allows the creation of versatile, "multitasking" compositions that interpret the different ways the sofa can be used. The Freeman seating system is worthy of star status in the living room, especially when paired with the Reeves and Winston armchairs, the Jacob and Aeron coffee tables and the many complementary pieces from the new collection.

On hand to celebrate ten years of extraordinary, rewarding partnership with the Spätauf family were arch. Roberto Minotti, Alessandro Minotti and Susanna Minotti.
